Dear San Fernando Valley Supporter,

For over 50 years the Fernando Award has been most prestigious award to recognize an outstanding volunteer in the San Fernando Valley. The list of past recipients of the Fernando Award represents a diverse and distinguished group of our civic, community and business leaders.

Your participation helps to fund the scholarship program of the Foundation. Each year the Fernando Award Foundation gives ten (10), \$1,000 and one (1) \$2,000 scholarships to recognize local high school and college students who have already demonstrated their passion for community service.

This can be accomplished as either a Benefactor or Patron. Both levels of support offer certain benefits that you can only get as a supporter. You will be prominently displayed in all our mailings throughout the year, as well as in event programs and on our new website, [www.fernandoawards.org](http://www.fernandoawards.org). You will also have the privilege of voting for the Fernando Award recipient.

The level of support for **Benefactor** remains at \$600 for the year, and in addition to the benefits above, it provides two tickets to the Fernando Award Dinner which will be held in September.

The commitment for a **Patron** is \$350 for the year and gives one ticket to the Fernando Award Dinner.

It is only with the help of people such as you that we are able to continue our recognition of outstanding community volunteerism by extraordinary individuals in our great Valley. Please take a moment to complete the enclosed form, and return it with your contribution. With your financial support, we will continue to honor our deserving community leaders and volunteers in the great tradition of Fernando.

Again, on behalf of the Board of Directors of the Fernando Award Foundation, thank you very much for your support.

Sincerely,

Dennis Watsabaugh  
President,
